2017 Taxation Year Update

This is a brief notice that the Home will only be issuing “Summary of Accommodation” reports for the 2017 taxation year. These forms will be prepared for the 2017 tax year and mailed out for each resident in January 2018. Please note that St. Lawrence Lodge does not make any representation regarding the deductibility of the above amounts on income tax returns.

It should also be noted that St. Lawrence Lodge is a Municipally-owned Long Term Care Home and does not pay property taxes. This, too, may affect entries related to the Ontario Tax Credit for residents.

For Residents and Family Members

The St. Lawrence Lodge Family Council respects the mission of St. Lawrence Lodge and offers support to residents, families, and staff at the Home. The Family Council advocates for all residents, families and caregivers, in particular, for those residents unable to advocate for themselves.

The Council promotes open communication. The Family Council will make suggestions and recommendations for change and improvements by being a forum for ideas and dialogue. The Council will endeavour to become more knowledgeable about the long term care sector and the operations of the Home and it will work to educate its members and other family members of residents.

Typical Family Council Activities

- Working with St. Lawrence Lodge employees for positive change
- Sponsoring activities for residents and families
- Suggestions and advice for improvements in our Home
- Representing residents who do not have family members to help them
- Providing political advocacy for improvements to the Long Term Care sector
